## Keynote Speaker

### Tim Jones

Firefighter, Cal Fire  
and cancer survivor

Tim will discuss firefighter cancer  
prevention, awareness, and  
survival. He is involved with the  
Firefighter Cancer Support Network  
which is endorsed by the IAFF and

IAFC. This is a must see presentation for anyone  
involved in the fire service.

### Other Lectures Include:

#### ▶ Induced Hypothermia by EMS

This lecture will focus on the new approach to  
post cardiac arrest care, which includes  
inducing hypothermia. We'll explain the  
science and the methods!

#### ▶ The Importance of EMS in Stroke Care

A revisit, with a twist, on why treatment time  
and identification of stroke patients is vital  
throughout patient treatment and not just in  
the squad

#### ▶ Pediatric Cardiac Emergencies

A look at the rare, but real cases of  
cardiomyopathy, which often presents as an  
"unremarkable" EMS run in the field
