### **SERVICE RESTORED TO ODPS/BMV ONLINE SERVICES**

*- System-wide Internet outage affected driver services -*

**COLUMBUS** – The Ohio Department of Public Safety (ODPS) has restored service to Internet-based services following a brief system-wide outage early Monday morning.

Online services such as OPLATES, Ohio Organ Donor Registry, Ohio Next of Kin Registration Database, Online Dealer and Temporary Tag Transactions, Online Reinstatements, Driver Training Online and Motorcycle Ohio were impacted by this morning's system outage.

Ohio's Deputy Registrar locations were unaffected by the technical issue and continued normal business operations throughout the morning.

The BMV apologizes for any inconvenience this may have created for customers attempting to access online services early today.
