

Celebrate National Blue and Green Day Friday, April 11, 2014

Celebrate National Blue & Green Day and offer
HOPE to the more than 120,000 Americans waiting for a life-saving transplant;
HONOR the heroes of organ, eye and tissue donation;
REMEMBER those that died waiting for their second chance at life; and
CELEBRATE the recipients who received the Gift of Life through transplantation.

It's easy to participate! Think **blue**! Think **green**! Think **blue & green**! Show your support for donation and take a picture of you and/or your friends, family, classmates or colleagues in your Donate Life colors and share it on social media. Be sure to tag Lifeline of Ohio in your post!
