

DISPLAY OF STICKERS

County Stickers

1. In compliance with the law, County stickers are required to be placed on all license plates except commercial truck/trailer license plates. The county number stickers shall be affixed on the lower left side of both front and rear plates.
2. For motorcycle/moped/motor scooter plates, affix the county number sticker on lower left hand side of plate just right of the bolt hole.
3. Place county stickers on clean dry surface. If plate has previous sticker(s) attached, place new sticker(s) to cover old sticker(s). Rub edges down firmly.

Logo Plate

Motorcycle/Moped/APV/ Motor Scooter Plate

Validation Stickers

1. Place new validation sticker on clean dry surface in lower right corner of rear plate (truck/tractor front plate). If plate has a previous sticker attached, place new sticker to cover old sticker.
2. Rub edges down firmly.
3. For motorcycle/moped/APV/motor scooter plates, affix new validation sticker on clean dry surface on the lower right hand side of plate just left of the bolt holes.

NOTE:

Do not moisten sticker or apply at temperatures less than 0° F.
