BUREAU OF MOTOR VEHICLES

HISTORICAL "MODEL-YEAR" PLATE INFORMATION

Section 4503.181 of the Ohio Revised Code permits owners of vehicles bearing historical license plates to display a model year plate for a fee. Only one model year plate is required to be displayed. This license plate must be a legible and serviceable plate issued by the state of Ohio and inscribed with the date of the year corresponding to the model year when the vehicle was manufactured. Section 4503.19 (ORC) requires that a "distinctive number" be issued to a motor vehicle. Therefore, the distinctive historical plates and registration card must be in the vehicle and available upon demand by a law enforcement officer.

To comply with the motor vehicle laws relating to registration and licensing of motor vehicles, the Bureau of Motor Vehicles has adopted the following procedure.

- The vehicle must be registered with regular historical plates.
- Those who desire to display a model-year plate will locate and obtain a suitable plate by their own means. If the license plate is painted, the colors applied must be the original color combinations. To qualify for a model year the license plates had to be manufactured no later than 1974.
- Submit a **copy** of the model-year license plate and a **copy** of the historical license registration card. Since registration is required for both the historical and model year plate, the fee for registration is \$4.50 if obtained at our office, plus the current cost of postage if the registration must be mailed.
- Complete and have notarized the model-year affidavit on back.
- The model-year plate may be displayed when you receive the registration card from the Ohio Bureau of Motor Vehicles. Only one model-year plate is required to be displayed on the rear of the historical motor vehicle at all times.
- **Model-year plate numbers for a military vehicle are the Ohio historical plate numbers issued to the vehicle painted on the front and rear of the vehicle in accordance with size and style specifications established for numerals and letters as stated in section 4303.22 ORC.**

If your vehicle is not displaying regular historical license plates, the application/affidavit for a regular historical registration and model year historical registration may be submitted at the same time and the model year registration services will be provided at no charge. If you wish to be sent an application for a regular historical license plate contact the number below or go to your local deputy to obtain registration. This application is also available at your local Deputy Registrar's office and can be obtained on the Web site:
