Proof Filing/Proof Cancellation (SR22/SR26) Web Processing System

The Ohio Bureau of Motor Vehicles (BMV) is asking for your assistance in providing information to members of your association. The BMV is trying to reach all Ohio insurance companies to notify them of the Bureau of Motor Vehicles (BMV) Proof Filing / Proof Cancellation Web Processing System that went into effect May 4, 2015. The system will allow authorized users to submit SR22/SR26's real time for customers. The new website will require all users to register with the BMV, Compliance Unit to obtain a logon.

Enclosed is a Proof Filing/ Proof Cancellation System Access form. Please complete the form and submit a list of authorized users. The user will not be granted access until we are in receipt of the updated information and have verified they are authorized to write Proof Filing / Proof Cancellation (SR22/SR26) for your company. You can find an electronic copy of the User Registration guide at: <https://abs.dps.ohio.gov/pfpcsys/images/UserRegistrationProcess.pdf>
