Language Identification Guide

I speak...

This language identification guide is a tool for law enforcement and other criminal justice agencies to identify the language of individuals they encounter who do not speak English.

2nd Edition — 4/06

The Purpose of This Language Identification Guide

As the limited English proficient (LEP) population continues to increase in the state of Ohio and nationwide, the number of LEP defendants, victims, and witnesses processed through the Ohio criminal justice system will also increase. This guide can help to obtain interpretive services, which is the first step in working with LEP persons. It is also intended as a resource for the criminal justice community to ensure consistent and effective interaction with LEP persons.

I speak ...
